Well, you think you're funny
But your face beat you to it
You look like somethin'
In the Bronx Zoo

It ain't no joke
You're very chimpanzee
Don't monkey with Tarzan
And don't get funny with me

I see by your outfit
You're a cowgirl
When I say hyaw
I'm talkin' 'bout now, girl

I'm a whip crackin' daddy
And I don't mean please
Well, aim for the bucket
And don't get funny with me

Don't get funny with me
No, no, don't get funny with me
The joke's on you
Don't get funny with me

Well, you're gonna get a stiff neck
Lookin' way down here
You're gonna fall off that pedestal
And land on the mirror

You're gonna break that thing
You ain't no beauty queen
You done broke my brownie
Now, don't get funny with me

No, don't get funny with me
No, no, no, don't get funny with me
The joke's on you
Don't get funny with me-e-e

That's a good one

Well, you're the life o' the party
And a million laughs
You know karate
And some witchcraft

You know rope tricks
From the exotic east
Well, don't fool with Fu Manchu
And don't get funny with me

No, don't get funny with me
Listen now, don't get funny with me
I'm tellin' you
Don't get funny with me, no, no, no

Don't get funny with me
Don't get funny with me
Well, the joke's on you
No, don't get funny with me

The joke's on you
You don't get it, do you?
Don't get funny with me
