No one knows how much I love you
No one knows how much I care
But when you put your arms around me
I get a fever that's so hard to bear

You give me fever, when you kiss me
Fever when you hold me tight
Fever in the the morning
Fever all through the night

Sun lights up the daytime
Moon lights up the night
I light up when you call my name
'Cause I know you're gonna treat me right

You give me fever, when you kiss me
Fever when you hold me tight
Fever in the the morning
Fever all through the night

Captain Smith and Pocahontas
Had a very mad affair
But when her Daddy tried to kill him
She said, "Daddy oh don't you dare"

He give me fever when he kisses
Fever when he holds me tight
Fever I'm his Misses
So daddy you're gonna treat him right

Everybody's got the fever
That is something that we all know
Fever isn't such a new thing
Fever started long ago

Romeo loves Juliet
Juliet she felt the same
But when she put her arms around him
He said, "Julie baby you're to blame"

You give fever with your kisses
Fever when you hold me tight

Fever in the the morning
Fever all through the night

Well now you've listened to my story
Here's the point that I have made
The chicks were born to give you fever
Be it Fahrenheit or Centigrade

We give you fever when we're rockin'
Fever till you live and learn
Fever till you sizzle but what a lovely way to burn
What a lovely way to burn, what a lovely way to burn
What a lovely way to burn, what a lovely way to burn
What a lovely way to burn
