Well, the sun's gone down  
And you're uptown  
And you're just out runnin' around

chorus)

I can't hardly stand it  
You're troublin' me  
I can't hardly stand  
It just can't be  
Well, you don't know, a-babe I love you so  
You got me all tore up, all tore up

You say you're trough with me  
You're settin' me free  
You're just out with your used-to-be

I can't hardly stand it  
You're troublin' me  
I can't hardly stand  
It just can't be  
Well, you don't know, a-babe I love you so  
You got me all tore up, all tore up

Well, my spirit's low  
I love (--miss--) you so  
I stand alone and watch you go

I can't hardly stand it  
You're troublin' me  
I an't hardly stand  
It just can't be  
Well, you don't know, a-babe I love you so  
You got me all tore up, all tore up

Well, now that you are gone  
And I'm alone  
All I do is sit and moan

I can't hardly stand it  
You're troublin' me  
I can't hardly stand

It just can't be  
Well, you don't know, a-babe I love you so  
You got me all tore up, all tore up

Baby, all tore up  
Baby, all tore up  
All tore up..
