Like a chance meeting
Of an umbrella and a sewing machine
In a black impala
Mixin' metal flake with a jet propeller

This monotonous flywheel is the junk of life
This desire magneto, this is not a pipe
Prob'bly Picasso painted this pinstripes

I'm customized like a crazy whim
I'm customized, I can do the swim
I'm customized like a mag rim
I'm customized with the deluxe trim
I'm customized, not your average Jim
Not quite

Too much sex fizz in the love gasoline
One big wreckage from Benedictine
Who done wrought this package
I'll bet Einstein

I'm customized, I'm moon equipped
I'm customized, got a hot tip
I'm customized like a buggy whip
I'm customized like some bad trip
I'm customized, I'm a rocket ship, rocket ship

Flames, baby, flames
Runnin'
I-I-I, can't answer, [Incomprehensible]
[Incomprehensible]
It's me

I'm customized
I'm customized
I'm customized
I'm customized
I'm customized
