[Half Paul McCartney-cover]

There's a place where lovers go  
To cry their troubles away  
And we call it Lonesome Town  
Where the broken hearts stay

You can buy a dream or two  
To last you all through the years  
And the only price you pay  
Is heart full of tears

Going down to Lonesome Town, where the broken  
hearts stay  
(I'm) going down to Lonesome Town, to cry all troubles  
away

And in the town of broken dreams  
The streets are filled with regret  
Maybe down in Lonesome Town  
We can learn to forget  
Maybe down in Lonesome Town  
We can love to forget
