i was standin on the corner of a big windy city
when i spot a chick
she was lookin nitty pretty
my knees they started shaking
and my head begin to jerk
i got to kno that girl in the mini skirt

i got those goin to a go go
workin on my mojo
checkin out those mini skirt blues

well she walked up to me
and said
daddy whats doin?
i could tell by her smile
the evil was a'brewin
she said her name was jessabel
miss jessabel hurt
that foxy little mama in the miniskirt

i got those goin to a go go
workin on my mojo
checkin out those mini skirt blues

play the blues now!

yeah
i got those goin to a go go
workin on my mojo
checkin out them mini skirt blues

well
we went to cabaret
where everything was a'movin
the chick got up
and she started groovin'
she did the coffee grind
and the double o' blurt
that tantolizing temptress in the miniskirt

i got those goin to a go go

workin on my mojo
checkin out them mini skirt blues
yeah
i got those goin to a go go
workin on my mojo
checkin out those mini skirt blues
those goin to a go go
workin on my mojo
checkin out them mini skirt blues
