Rock On The Moon lyrics

Well, I built my rocket and we'll have a race  
We'll be the first to rock into outer space

I wanna rock on the moon, a-rock rock rock  
Well, rock on the moon, a-rock rock rock  
Well, rock on the moon, brother, rock and roll tonight

Well, listen baby, pretty soon  
Take ol' Sputnik to the moon

I'm gonna rock on the moon, rock rock rock  
Well, rock on the moon, rock rock rock  
Well, rock on the moon, brother, rock and roll tonight  
Rock me now, go go go fâçâ, -Ã,Â!

Well rock is on Pluto, rock on Mars  
Rock and roll underneath the stars

Rock on the moon, rock rock rock  
Well rock on the moon, rock rock rock  
Well rock on the moon, brother, rock and roll tonight

HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
Well rock on the moon, brother, rock and roll tonight  
Rock it rare, go!

HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
HOP-a-baby baby rock rock rock  
Well rock on the moon, brother, rock and roll tonight  
Let's rock now!

HOP! A-baby baby rock rock rock  
HOP! A-baby baby rock rock rock  
HOP! A-baby baby rock rock rock  
HOP! A-baby baby rock rock rock  
Well rockin' on the moon, brother, rock and roll tonight

Yeah!
