Fatima had a fetish for a wiggle in her scoot  
From her big tall heels on her big bad boots  
She said, ?Saddle up a buzz buzz, saddle up a buzz  
buzz  
Saddle up a buzz buzz, saddle up a buzz buzz?

Tarzan drove a stingray in a fiberglass jungle  
Swung from high tension wires and yelled down at the  
humble  
?Hey, saddle up a buzz buzz, saddle up a buzz buzz  
Saddle up a buzz buzz, saddle up a buzz buzz, buzz  
buzz?

Rabid rat fink caught an eighty foot wave  
Hit the bonzai pipeline, rode it straight to the grave  
Screamin', ?Saddle up a buzz buzz, saddle up a buzz  
buzz  
Saddle up a buzz buzz, saddle up a buzz buzz?

Well, callin' all KNIF's on a collision course  
Don't let it bug ya if you ain't got no horse, whoa  
Saddle up a buzz buzz, saddle up a buzz buzz  
Saddle up a buzz buzz, saddle up a buzz buzz?

Buzz, rock tonight, buzz, rockin' right  
Buzz, giddy up and saddle up a buzz buzz  
Yeah, saddle up a buzz buzz, saddle up a buzz buzz  
Saddle up a buzz buzz
