Ooh, you look cute in your battery-cable jumper  
And your railroad spike heals  
With your rear end dipped in rubber  
Like a Goodyear without wheels

At the Sado County Auto Show  
The Sado County Auto Show  
You can't be late, you gotta go  
To the Sado County Auto Show

By your diamond headlights I can see  
The tension on those seams  
Then you blow a bubble and  
Offer me your jellybean

At the Sado County Auto Show  
The Sado County Auto Show  
You can't be late, you gotta go  
To the Sado County Auto Show  
Let's go

You kissed my hand  
My love began to expand  
I was a crossed-eyed girl in sight  
Something telling me my can will land in Satan's bed  
tonight

At the Sado County Auto Show  
The Sado County Auto Show  
You can't be late, you gotta go, go, go  
To the Sado County Auto Show

The enamel of your mind has cracked  
And your eyes fully like poached eggs  
But I sure wish that I was Jack  
And had pulleys on those legs

At the Sado County Auto Show  
The Sado County Auto Show  
Ooh, you can't be late, you gotta go  
To the Sado County Auto Show

At the Sado County Auto Show  
The Sado County Auto Show  
You can't be late, you gotta go, go, go  
To the Sado County Auto Show  
Let's go
