Muwahaha, muwahaha, mmm, hu, hu, hu

Shakes me up to see you walk  
It tears me up to hear you talk  
You drive my nerves the way you pant  
You got more love than I'll ever get

So save it baby, save it  
Now don't you dare waste it, uh, uh  
Save it baby, save it  
You don't know how I crave it  
If love could kill the way you thrill  
So save it all for me

I love the way you use your talk  
The way you tremble in my heart  
You got more love than I could miss  
But I can't spare the smallest kiss

So save it baby, save it  
You don't how I crave it  
Save it baby, save it  
Now don't you dare waste it  
If love could kill the way you thrill  
So save it all for me, yeah, huh!

Ohh, shake me up with your swingin' hips  
You send my soul with your clingin' lips  
Your loves like a well that won't run dry  
I can't drink it all but it funs to try

So save it baby, save it  
Now don't you dare waste it, uh, uh  
Save it baby, save it  
You don't know how I crave it  
Love could kill the way you thrill  
So save it all for me hu, hu, hu, hu

Save it all for me hu, hu, hu, hu  
Save it all for me hu, hu, hu, hu  
Save it all for me hu, hu, hu, hu
