Why's don't I tell you what it is?  
I wen' out last nigh' and I got messed up  
When I woke up this mornin'  
Shoulda seen what I had inna bed wi' me  
She comes up at me outta the bed  
Pull her hair down the eye  
Looks to me like a dyin' can of that commodity meat  
And says  
And says  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Wooooeeeahhh!

So this time we got waay over here  
(Where?! Where?!)  
I don't know, since it was early dawn's light  
She jumped up outta the car  
She pulled her hair down her eye  
She looked to me like a dinosaur 'bout to jump outta  
that seat  
She said  
She said  
She said  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Wooooeeeyahhhh!

So this time we got waaay over here  
And then we went waay down here  
We got all the way over  
'n that lady sound like this:  
Oooooo! Oooooo!  
She said  
She said  
Woo ee ah ah!

Woo ee ah ah!  
Woo ee ah ah!  
Yoo ee ah ah!  
Wooooaaahhyahh!

So this time we went waaay over there  
Now things was really gettin' goin'  
Boilin' up with the blisters  
She sound like this:  
Ooooo! Ooooo!  
She jumped up outta the car  
Pulled her hair down her eye  
And do you know what she tol' me?  
Do you know what she try to tell me?  
She said  
Ooooo! It feel so good!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo woo eeeeeyahhhh!  
Yah yah yah!  
Woo ee ah ah!  
Woo ee ah ah!  
Woo ee ah ah!€!
