Strange love, cutest thing I ever seen
Strange love, cutest thing I ever seen
You remind me of somethin' that I have seen in a
dream

Can I take you out to dinner, some place where we can
be alone
Can I take you out to dinner, some place where we can
be alone
Tell you how much I love you, then let me hold you in
my arm

You asked me there's honey, love to be your
honeycomb
You asked me there's any honey, I love to be your
honeycomb
Then when the time is right darling there'll be some
lovin' goin' on
