Swing the pig iron hammer
Swing the big eyed rabbit
Baby looks for a girl
Baby's mad at the world

Hunt it down and snatch and gab it
Yeah, catch it in the patch and trap it
Grab it by the legs and swing the big eyed rabbit

Ride Sally ride
The little bunny tries to hide
Bang, bang shoot 'em up
Yum, yum eat 'em up

Yeah, hunt it down and snatch and gab it
Yeah, catch it in the patch and trap it
Well, grab it by the legs and swing the big eyed rabbit

Swing boy swing
Swingin' crazy scene
Swing it against a tree
Swingin' crazy scream

Hunt it down and snatch and gab it
Catch it in the patch and trap it
Grab it by the legs and swing the big eyed rabbit

Swing the big eyed rabbit
Swing the big eyed rabbit
Ooh, swing the big eyed rabbit
Yeah, swing
