I'm a two headed sex change from outer space  
I'm a photo finish with a pretty face  
I gotta monstrous love  
That's just grew some for you

Hawkin' my wares on Exchange Street  
Stalkin' my share o' strange meat  
I got a head on my shoulders  
And one left over for you

Two headed sex change  
Two headed sex change  
I'll be there when ya need some strange

Two headed sex change  
Two headed sex change

Two heads headed two ways at once  
Let's face it baby, I'm much too much  
If your clams in a jam  
Baby, I know what to do

Two headed sex change  
Two headed sex change  
I'll be there when ya need some strange

Two headed sex change  
Two headed sex change  
Girl I

When me and myself walks  
Down the street  
I sweep the average woman  
Right off her feet

Form a big boss line  
Take a number and I'll get to you  
If your clam's in a jam  
Baby, I know what to do

Two headed sex change  
Two headed sex change

I'll be there when ya need some strange

Two headed sex change

Two headed sex change

Two headed sex change
