Whoa, there's some things, baby, I just can't swallow
Mama told me that girls are hollow

What's inside a girl?
Somethin' tellin' me there's a whole another world

You gotta pointy bra, a ten inch waist
Long black stockings all over the place
Boots, buckles, belts outside
Whatcha got in there you tryin' to hide?

What's inside a girl?
Ain't no hotter question in a so-called civilized world

I can't help peekin'

Well, you can't see it by satellite and baby, that's
cheatin'
The President's callin' an emergency meetin'
The King of Siam sent a telegram
Sayin', "Wop bop a loop a lop a boom bam"

What's inside a girl?
And I have somethin tellin' me there's a whole another
world

Whatcha got, whatcha got, whatcha got in the pot?
Whatcha got, whatcha got, whatcha got in the pot?
In the bottom of your bottomless body pit
Oh baby, you got somethin' an' I gotta get it

Come on, baby, what's inside a girl?

Like a itty bitty baby takes apart his toys
Gotta find what's rilin' up the boys
Sugar and spice is just a bluff
You can tell me, baby, what is that stuff?

Come on, what's inside a girl?
That wavy gravy got my head in a whirl

Whatcha got, whatcha got, whatcha got in the pot?

Whatcha got, whatcha got, whatcha got in the pot?
In the bottom of your bottomless body pit
Oh baby, you got somethin' an' I gotta get it

Come on, baby, what's inside a girl?

Whatcha got, whatcha got, whatcha got in the pot?
Whatcha got, whatcha got, whatcha got in the pot?
Whatcha got, whatcha got, whatcha got in the pot?
Whatcha got, whatcha got, whatcha got in the pot?

Oh, baby, what's inside a girl?
