That happy updraft that wafts me hither
Spurned by man nor beast
It draws my love-a-bubblin' in there
Into that hot pool of womanneed

Hit like the rud of two sticks wooden
This womanneed is old as fire
The burnin' lure of that kissy puddin's
The ancient curse of mankind's desire

Oh womanneed , I got the faith
Oh the power that flows so sweet
From the tower of salvation
To that hot pool of womanneed

As Jacob said to Isaiah
In them biblin' days of yore
"Oh, man that babe is a tomato
Oh, my Lord, I'm longin' for"

Oh womanneed , I got the faith
Oh the power that flows so sweet
From the tower of salvation
To that hot pool of womanneed

Like the funnel of the tornado
Like the whirlpool of stormy seas
My head spins to the serenade
Of that wanton Womanneed

Oh womanneed , I got the faith
Oh the power that flows so sweet
From the tower of salvation
To that hot pool of womanneed

Oh womanneed , I got the faith
Oh the power that flows so sweet
From the tower of salvation
To that hot pool of womanneed

To that hot pool of womanneed
