Broken wings upon me,
Disappointed's tears
Perverse fortune wakes up
Magnitude of my exist

Waiting for sentence of the death

Suspended in huge vacuum
I still count of fast solution
Imprison pieces of soul
Only aim to destruction

Waiting for the death
I'm hiding in his arms

(Chorus)
Mighty lord take of the spell
Take of course that made me blind
Am I over death am I over life

He: Groggy of wasted fear / She: Me against my life,
I,m folding roses on my grave / Me against my heart
Retard remain of human wishes / Me against my love,

Climbing to prevent escape / Me against my blood.

He: Lord of darkness side / She: Lord of darkness side
I entrust to you my life! / Give me back my life!

She: I'm calling you, I'm waiting for your awakening,
Rise! across the deadly threshold!
He: I hear your voice, I fell sweet numbness, your tears
are falling down on my haunted soul...

(Chorus)
Mighty lord take of the spell
Take of course that made me blind
Am I over death am I over life?!
Mighty lord take of the spell
Take of course that made me blind
Am I over death am I over life...
