I know you  
You always rode so tall in the saddle  
You are the answer  
But I know that you are only causin trouble  
Take all you want, leave me the rest behind  
Youre a user  
A winnin no new friends, just make one small step  
Youre a user  
You never came to anyones call  
Spent all your life head on the wall  
While you're up there, there's only one way to fall

All the kings horses and all the kings men  
Will never put you together again

You still got your chances  
The one thing the whole world loves is a winner  
You can't walk on water  
With your heat the ice you're on is gettin thinner  
You used to be so wise  
But you are fooled by your own lies  
And I see right through your disguise

All the kings horses and all the kings men  
Will never put you together again  
All the kings horses and all the kings men  
Will never put you together again.
