Hey, you, who are you talkin to
Hey, boy, havent you heard the news
No one can fight more than these boys
No one can bite more than these boys

Hey, hose, who do you want to know
Hey, punk, get off my case and go
No one can fix more than these boys
No one can kick more than these boys

The boys in the band

You can back down
Yours is no disgrace
No slack clown
Its time to close your face

Hey, now, what have you got thats new
Come on boy what are you trying to prove
No one can take more than these boys
cause no one can shake more than these boys

The boys in the band

You can break down
Yours is no disgrace
No slack clown
Its time that you knew your place

Come on break down
cause yours is no disgrace
No slack clown
Its time to close your face
