Legs up to her shoulders
All the way back down
Shes not playin, she knows what shes doin
And the words out on the town
She wanna be a cheerleader
A cheerleader
She got the moves

She got the grooves
All the boys need her

Oh oh thats the way she wants to be
Cruisin the touch line at a quarter to three
See her ? she wanna be a cheerleader

Now shes gettin bolder
Now she gets around
Shes not takin no for an answer
Shes not getting down

Shes a no teaser
A no pleaser
She got the drive
She got the jive
Shes a big squeezer

Oh oh thats all she wants to be
Shake a little tush for the boys to see
Wanna be her ? a cheerleader
But what she wants the most
To be the perfect host
She wants to play the field all over

She needs it most of all
When its too close to call
She wants to rock and roll all over
Yes all over

Legs up to her shoulders
All the way back down
Shes not playin, she knows what shes doin

The words out on the town

She wanna be a cheerleader
A cheerleader
She got the moves
She got the grooves
All the boys need her

Oh oh thats all she wants to be
Shake a little tush for the boys to see
Wanna be her ? a cheerleader

Oh oh thats all she wants to be
Cruisin the touch line at a quarter to three
See her ? she wanna be a cheerleader

See ? her, wanna be a cheerleader
