Can you help me
Help me get out of this place
Slow sedation
Ain't my style ain't my face
Givin' me a number
Nine, seven, eight

Gimme back my name

Crazy
But i don't think that i can see
You can hear them
Only talkin' at me
Livin' on the outside
Lookin' inside to be free

Feel so good for awhile
You don't know why
Cry while you lie
You are true...you are true...you are true

Save me
Is there nothing that i can use
Please believe me
Am i conforming to your views
Promise you anything
Watch me cryin' out to you

Gimme back my name
Let me make my statement

(lead)

Crazy.....crazy.....crazy.....crazy
Crazy.....a suitable case for treatment
Crazy,crazy.....just a suitable case for treatment
Crazy,crazy
Crazy....crazy.....crazy.....etc.
