Ime out, no good now
Screamin too loud
And I cant hear a word you say
Look out, way too late
Suns going down
And Im comin around your way

You keep calling me all night
You keep saying its alright, alright

Got me runnin
When you cry, you cry, cry wolf
Got me running, cry,cry--cry, cry wolf

Dont touch, dont look now
Somethins cookin
And its keepin me hang around
But when the call comes through
Im ready for you and you say it aint true
But youre keepin your defenses down

You keep callin me all night
You keep saying its alright, alright

Got me runnin
When you cry, you cry, cry wolf
Got me runnin cry, cry--cry wolf
