Dream on
Though its hard to tell
Though youre foolin yourself
Dream on

You can hide away
There is nothing to say, so dream on
Dream on
Though its hard to tell
Though youre foolin yourself, dream on

You can laugh at me because Im crying
You can tell your friends how much
I begged you to stay
You can live your fantasy without me
But youll never know how much I needed you

Dream on
Its so easy for you
Though Im broken in two, dream on
Dream on
You can never see
What youre doing to me, so dream on

You can cross your heart and still be lyin
You can count the reasons why youve thrown it away
You can dream your life away without me
But youll never know how much I needed you

You can laugh at me because Im crying
You can tell your friends how much
I begged you to stay
You can live your fantasy without me
But youll never know how much I needed you

Dream on
Its so easy for you
Though Im broken in two, dream on
Dream on
You can never see
What youre doin to me, so dream on

Dream on
Though its hard to tell
Though youre foolin yourself,dream on
Dream on
