She was my guiding light
She was my day and night
I hung on every word, no matter wrong or right
She could raise me up to heights I've never seen

And the coming of age is every young man's dream
Oh, oh she's every young man's dream
Oh, oh she's every young man's dream

She was the first for me
She wet my thirst for me
If I was feeling down
She was a nurse for me
She could take me up to heights I've never been
And the coming of age is every young man's dream

Oh, oh, she's every young man's dream
Oh, oh she's every young man's dream
Oh, oh she's every young man's dream
Oh, oh she's every young man's dream

Oh, tu es toujours dans mon coeur
I like to raise my glass
I like to praise the past
Some things go on forever
Some things never last
She could raise me up
She was my fantasy
And the coming of age is every young man's dream

Oh, oh she's every young man's dream
Oh, oh she's every young man's dream
Oh, eres siempre en mi mente

She was my guiding light
She was my day and night
I hung on every word, no matter wrong or right
She could raise me up to heights I've never seen
And the coming of age is every young man's
dream.....chorus to fade
