"Expect No Mercy"

If youre ready for the street
You wanna mix it in some fight
Let me tell you somethin
Now I dont wanna get you uptight
But if youre in a corner
And you cant find no way out
Dont look around for no help
No, no there wont be any around

Expect no mercy, expect no mercy
Expect no mercy, expect no mercy

So you think you got a case
And you think you know the score
No you dont wanna listen
You cant be told no more
But waitll you get out there
You better do it right
cause the streets are lined with things that kill
And theyre hidin in the night

Expect no mercy, expect no mercy
Expect no mercy, expect no mercy
Expect no mercy, expect no mercy
Expect no mercy, expect no mercy

Feel that you can cut it
You think you got the time
Theyll only give you one chance
Better get it right first time
And the game youre playing
If you lose you gotta pay
If you make just one wrong move
Youll get blown away

Expect no mercy, expect no mercy
Expect no mercy, expect no mercy
Expect no mercy, expect no mercy
Expect no mercy, expect no mercy
