Some girls got it some girls dont
Some girls do it some girls wont
Some girls want to run your life
Some want to sink your boat
Girls- sweet sweet girls
Make you break you girls dont care
Wake you shake you get you there
Some girls like to play it cool
Some like to kiss and tell
Girls- sweet sweet girls
Its not new but its gotta be faced
A man can be turned by a pretty face
Cant live with them
Cant live without them
Girls- sweet sweet girls
Girls in movies girls in space
Girls on t.v. girls that race
Some girls want to tie you down
Some girls dont want to know
Girls- sweet sweet girls
Its not true but its gotta be faced
A man can be turned by a pretty face
Cant live with them
Cant live without them
Girls- sweet sweet girls
Some girls got it some girls dont
Some girls do it some girls wont
Some girls want to run your life
Some want to sink your boat
Girls- sweet sweet girls
Girls- sweet sweet girls
Girls- sweet sweet girls
Girls- sweet sweet sweet girls
