Goin? down
Goin? down, down, down, down, down
Goin? down
Goin? down, down, down, down, down
Ive got my big feet in the window
My head is on the ground
Take me down
You know I crawled across the floor
Take me down
Crawled across the floor
Back to chatanooga to see my sister once more
Come on take me down
Goin? down
Goin? down, down, down, down, down
Goin? down
Goin? down, down, down, down, down, down, down
Ive got my big feet in the window
My head is on the ground
Come on, come on take me down
Im goin? down
