Yes baby, Ive been drinkin
Shouldnt come by anymore
But I found myself in trouble darlin
And I have no place else to go.

I got some whiskey, from a bottle
Got some cocaine, from a friend
And I had to keep on movin darlin
Till I was back in your arms again.

And Im guilty, I am guilty
And Ill be guilty for the rest of my life

How come Im never gonna do
What Im supposed to do
Seems like everything I do
Never turns out right

Thats how it is with me darlin
You know I just cant stand myself
But it takes a whole lot of medicine darlin
For me to pretend that Im somebody else.
