I had a dream
I had a dream
I saw the mission band,playing on the green
It was the saddest thing,i have ever seen
What did it mean,what did it all mean?

And in my dream,in my same dream
I saw the soldiers marching,on the green
The band played a funeral march
Many a tear was seen
All in my dream,all in my dream

Lead

I heard the lesson read,i heard the choir
I saw the falling leaves,landing everywhere
I saw the family gathered,crying in despair
I was not there,i was not there
