I know that she dont like me
She knows that I dont care
I could mistreat and bad mouth that woman
Turn around and shed be there
She aint got no pride she dont even try to hide
What she does
Its a buzz

To be seen in your limosine
Shell do strange bedroom scenes
She likes rockn roll, she would give her all
Just to get into it
Her heads full of rock n roll dreams
Shes exactly what she seems
She likes rock n roll, she would give her all
Just to get into it

Hangin around hotel bars
Droppin someones name
Usin those lines that you heard before
Playin the same old games
She aint got no style
Eyes that never smile
Feel like youre on trial
She aint worth while

To be seen in your limosine
Shell do strange bedroom scenes
She likes rock n roll, she would give her all
Just to get into it
Her heads full of rocknn roll dreams
Shes exactly what she seems
She likes rock n roll, she would give her all
Just to get into it

She wants to interview
Says the world should know your views
With someone you can see right through
Shes just comin on
Tryin to pretend that its
Just a yawn

Ah, come on
