[Spoken]

Let me talk to em
I guess you know you made it
When they start talking bout you, right?
Welcome to fame
Ya'll don't pay me no mind,
I just gotta get some stuff off my chest
Listen

Young, energetic, famous
But don't really sweat it
Rich enough, fairly hot
So basically sex is not:
Dif-fi-cult to get
That ain't my fault, naw naw
Listen

And just cuz I might take
Advantage once or twice
People tell me I'm not right,
Thinking that sex was my life
But that just ain't it
So let me clear it for those
Who have obviously
Misread the code
Listen to me now

No
I am
Not
I'm not ad-dict-ed to sex
But girl I guarantee that
If you lay with me
You just might be

No
I am
Not
I'm not ad-dict-ed to sex
But girl I guarantee that
If you lay with me
You just might be yeah

I wanna 'pologize
For bein just a little freaky
I can't help it, it's just sin
But a problem it is not
I'm just fine y'all
Don't worry bout me
Listen

And I wanna 'pologize
For bein blessed with
The ability to satisfy accurately
And quickly find the spot
It's a gift and a curse
Don't mess around
Find my number
In your girlfriend's purse

No
I am
Not
I'm not addicted to sex
But girl I guarantee
That if you lay with me
You just might be

No
I am
Not
I'm not addicted to sex
But girl I guarantee
That if you lay with me
You just might be

I never been shy
Bout my self and sexuality
Never been taboo
(Never been taboo but if I)
Have to live without
I know it's something I could do
But I just really don't want to

No
I am
Not
I'm not addicted to sex
But girl I guarantee
That if you lay with me
You just might be

No

I am
Not
I'm not addicted to sex
But girl I guarantee
That if you lay with me
You just might be
