(Laugh)
(Sigh) Boy boy boy

(Mmmmm) yeah yeah yeah yeah
Yeah yeah yeah yeah (oooo)
Yeah yeah yeah yeah (owwww)
(Oooo) yeah yeah yeah yeah (hey)
Yeah yeah yeah yeah
Yeah yeah yeah yeah (oooo)

So he finally called
I waited so long and he finally called
To tell me him and his ex-girlfriend
They gonna work it out

I went to make a withdrawl
Make a withdrawl at an ATM
I sat and watched my card go in
But it didn't come out

It's one of them days
Where you just shake your head and smile
And know that God has a sense of humor
He's laughin' at me right now

So I'm gonna turn off my tv
Just let it watch me
With my head under the sheets
I spend this whole damn day asleep (whole damn day
asleep)
Said I'm turnin' off my phone
Tell the world to leave to alone
Gonna stay right here in bed
All day long

I said, all day long
Hey, all day long
I'm talkin', all day long
All day long

Yeah
I'm takin' off these clothes

So I can throw on a big t-shirt
The one that he thought he lost (that he thought he
lost)
I had it all along (not giving it back)
And I ain't taking no calls (nooo)
Acceptin' no calls (nooo)
Not even from work (nooo)
(Nooo) Today I'm my own boss

And I gave myself the day off

Hey
Cause it's one of them days
Where you just shake your head and smile
I know that God has a sense of humor
I'm laughin' with him right now (laughin' with him right
now)

Cause I turned off my tv
Just let it watch me
With my head under the sheets
I spend this whole damn day asleep (whole damn day
asleep)
Said I'm turnin' off my phone
Tell the world to leave to alone
Gonna stay right here in bed (hey)
All day long

Hey-ey-ey
Said the world ain't on my side today
Honestly that's a-ok with me
It's rainin' anyway
There ain't no need to go outside
I tell you that the only firends I need today
Is my blanket and my pillowcase with me (hey)
And I'm alright

Gonna turn off my tv
Just let it watch me
With my head under the sheets
I spend this whole damn day asleep (whole damn day
asleep)
Said I'm turnin' off my phone
Tell the world to leave to alone
I'm gonna stay right here in bed
All day long

I said, all day long
Hey, all day long
Talkin' 'bout, all day long
Hey, all day long

I said, all day long
All day long
Said I'm gon' stay right here in bed
All day long
Oooooo, Whoaaa
