(ohhhh)

The car that I drive, may not impress
but I get where I need to go
You may disagree, with the way that I dress (oooh)
But I'm always comfortable
My fortune and fame,
Ain't no display, nobody has stick to myself
And to be perfectly honest,
I like it that way
So it doesn't matter what you say

I may not be who you want me to be
All I can be is me
I won't pretend,
so baby take it or leave
'Cause all I can be is me (all I can be, all I can be)
All I can be is me (all I can be, all I can be)
All I can be is me
What you get is what you see
'Cause all I can be is me

(ohhh, yeah, yeah)

Sometimes I prefer to just stay at home
Don't need that fancy restaurant
Sometimes I would rather turn the tv on,
simple is all I want
Why put on a mask?
why be all a vision?
There's never a reason
I'm happy with me,
My life's not in mission

I'm ok with who I'm bein'

Though I may not be who you want me to be
But all I can be is me
I won't pretend,
so baby take it or leave
'Cause all I can be is me (all I can be, all I can be)
All i can be is me (all I can be, all I can be)

Said all I can be is me
What you get is what you see
'Cause all I can be is me

(ooohh)

Money, cars, and diamond rings
All those expensive things
Baby I just don't give a damn
But if you really love me,
like you say you'd love me
then baby take me as I am

(heeeey)

Though I may not be who you want me to be.
But all I can be is me.
I won't pretend,
so baby take it or leave. (hey)
'Cause all I can be is me (all I can be, all I can be)
All I can be is me. (all I can be, all I can be)
Said all I can be is me.
What you get is what you see
'Cause all I can be is me.
