I believe that too good to be true is normally reality,  
yeah  
So when she said she's not impressed by paper  
Of course I did not believe, no  
So I bought clothes and jewelry showered  
Her with riches so she'd stay with me, mmm  
Only for her to tell me what she really wants is my time  
quality, mmm  
She said

[Chorus]

Don't want your money, all I want is you  
She said, that bag is pretty, but all I want is you  
She said, now don't get me wrong, I love clothes and  
shoes  
But if I had to choose, all I want is you  
She said all I want is you, whoa, whoa, whoa

I'm an entertainer and I meet a lot of women, that is  
true  
And one thing that I've learn is that women lie a lot  
better than we do  
Than we do, they do  
I told myself she's just telling me what I wanna hear I  
assumed  
But everytime I substitute, time with money, she would  
sing this tune, this tune

[Chorus]

Don't want your money, all I want is you  
She said, that bag is pretty, but all I want is you  
She said, now don't get me wrong, I love clothes and  
shoes  
But if I had to choose, all I want is you

Loose it all today, she gonn be here tomorrow  
And the day after that  
Matter fact, get the rubber band  
Cause she know I'm gonna bounce back  
She like the life, but she foreign  
Bout that life, she just know it

Top down in the coup, bonnie and clyde  
Till the wheels fall off, bonnie gonn ride  
Kick back, we just chop it up, she said she on her way,  
ain't no popping up  
Fine as she wanna be, she got a bindess mind  
Bad as she wanna be, she got a bindess crime  
Like planning for the future, like to think ahead  
Got me planning for my future, thanks to her head  
Independent like working for her own  
Yeah, so I know it can't be depressed

Bought you a bag, don't nobody have  
Send you on a trip somewhere, though I can't be there  
with you  
Send all that I want by, let me get you these diamonds  
brand new shoes  
To make up for the fact that I'm not with you  
What you say boo, what you say?

[Chorus]  
Don't want your money, all I want is you  
She said, that bag is pretty, but all I want is you  
She said, now don't get me wrong, I love clothes and  
shoes  
But if I had to choose, all I want is you  
She said all I want is you, whoa, whoa, whoa
