Hey, I'm feeling you girl, wanna get close to you, no

My sister swagger should tell it more
Than anything can vouch
Little mama you are what's inside ghetto
Fine I'll make you proud
So stunalicious, I love it, lets at least work something
out
Miss thing, million dollar game, coke bottle frame
Make my wall of fame let me know your name
I control the rain I could make it better, matter of fact
I make it weather, stormy weather with this cheddar
All because you hot as ever
If you may lady, let me play baby, make my way baby,
You won't like it, send it back and it's okay baby
You's a keeper, touch of diva, give me a fever
If I could freak ya, give me the word and I'll be along

[Ne-Yo Chorus]

I said excuse me little mama if I may
Take this thought and send it your way
And if you don't like that, then send it right back
But I just gotta say
I wanna be on you (on you)
I wanna be on you (on you)
And if you don't like that, then send it right back
But I just gotta say, I just gotta say

[Ne-Yo]

Girl let me touch you like nobody can (yeah girl)
Girl let me show you I'm a gentleman (uh huh)
I wanna be the one to hold your hand (oh yeah)
I just wanna be, I just wanna be

Girl let me touch you like nobody can (yeah girl)
I wanna show you I'm a gentleman (uh huh)
Girl let me be the one to hold your hand (oh yeah)
