(Verse 1)

Ehh,
Im not one to start no trouble
Im not one to throw no salt
but you standing out here crying
I watched as that dude drove off...

Assuming that thats your man
Assuming that ya'll just fought
I.. dont know the whole story
but assuming it wasn't your fault

(Chorus)

Baby since he just won't do it right
Let me be the one
Let me show you what real love is like
And do the things he should have done

Baby since he just won't do it right
Let me be the one
Let me show you what real love is like
And do the things he should have done

Let me be the one

(Verse 2)

Ehh...
Now I know that you don't know me
But hear what I'm talking 'bout
Cause when I look at you what I see...
is worth trying to work it out

Now I don't know him so
I can't say that he's a bad dude
But is he really trying.. (I THINK NOT!)
And all Im saying is if he wont make the effort
Let me give it a shot

(Chorus)

Baby since he just won't do it right, (Aye)
Let me Be the one...
Let me show you what real love is like...

And do the things he should have done

Baby since he just won't do it right.... (Aye)
Let me Be the one...
Let me show you what real love is like,
And do the things he should have done

(Hook)
Oooo, Let me be... what you want
Let me be... what he's not
Let me show... you real love
Cause real love is all I got (Real love is all I got)

Oooo, Come on in (Come on in)
Out the rain (Out the rain)
Come let me (Come let me)
Do it right,
Come let me change your heart,
And change your life..Ohh Whoa...

Girl let me Be The One, Bet The One
Girl let me Be The One, Bet The One....

Girl let me Be The One, Bet The One,
Girl let me Be The One, Bet The One.....

Ooo La La La La La,
La La La La La

Ooo La La La La La

(Chorus)
Ooo, Baby since he just won't do it right, (Hey)
Let me Be the one...,
Let me show you what real love is like,
And do the things he should have done;

Baby since he just won't do it right...., (Aye)
Let me Be the one...,
Let me show you what real love is like...,
And do the things he should have done...;

Aw Let Me BE THE ONE....
