Krayzie:

I only got a couple of minutes to spit it to make you feel  
it,  
and tell you how you could belivin' tellin' if you kick it  
you make me feel like I should take it easy on the  
pimpin'  
you sure got everything I need and I aint even trippin,  
really.  
So if you wanna run away with Krazie just let me know,  
time is steady tickin baby we gotta go,  
time just wont give me time but if you ride time i will  
find yea yea.

Ne-Yo:

Want to, but I can't help it  
I love the way it feels  
Its got me stuck between my fantasy and what is real  
I need it when I want it  
I want it when I don't  
Tell myself I'll stop every day, knowing that I won't  
I got a problem and I  
Don't know what to do about it  
Even if I did I don't know if I would quit but I doubt it,  
I'm  
Taken by the thought of it

[chorus]

And I know this much is true  
Baby you have become my addiction  
I'm so strung out on you  
I can barely move  
But I like it  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because

Never get enough, she's the sweetest drug

Layzie:

Bet he never realized what he really had till he  
looked up to the sky and wondered how he had to let it  
go,  
then the picture got crystal clear the water dirtied  
he did he put his thang on his mental.  
Should have known when he got invloved did he  
think really think he could play with her heart?  
Phasyic is so sweet frame is so small guys work  
her art the girl from next door.  
But you got me on a race against the clock and I  
hear it tick tockin like I'm runnin out of time.  
Packin' your clothes and trying to head for the door  
but im not lettin you go 'cause you're mine and I'm  
yours.  
And she is torned, the only thing you can do is pray to  
god that it aint too late procrastinate and shell shake  
the place  
you got about 4 seconds to state your case.

[chorus] Ne-Yo:

And I know this much is true  
Baby you have become my addiction  
I'm so strung out on you  
I can barely move  
But I like it  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because  
Never get enough, she's the sweetest drug

Ain't no doubt (No doubt)  
So strung out (Strung out)  
Ain't no doubt (There's aint no doubt)  
So strung out  
Over you  
Over you...

Because of you  
And it's all because of you  
Never get enough  
She's the sweetest drug  
She's the sweetest drug
