[Harmonics]

(Ouu Ouu Ouu)

(Mmdouou... ooh)

(Ouuohh Ouuohhouuh wouh)

(Mm... ah)

[Verse 1]

Want to but I can't help it

I love the way it feels

This got me stuck between my fantasy and what is real

I need it when I want it

I want it when I don't

Tell myself I'd stop everyday,

Knowing that I won't

[Hook #1]

I've got a problem and I... (don't know what to do about  
it, ooh)

Even if I did, I don't know if I would quit

But I doubt it

I'm, taken by the thought of it... (mmm mm)

And I know this much is true (mmmmm)

Baby, you have become my addiction.

I'm so strung out on you (mmmm)

I can barely move... but I like it

[Chorus]

And it's all because of you

(All because of you)

And it's all because of you, mmm

(All because of you)

And it's all because of you

(All because of you)

And it's all because...

Never get enough,

She's the sweetest drug (Ooh)

[Verse 2]

Think of it every second,

I can't get nothing done

Only concern is the next time, I'm 'gon get me some

Know I should stay away from,  
Cause it's no good for me  
I try and try but my obsession, won't let me leave

[Hook #1]
