Whoa wow whoa wow whoa wow
Whoa wow whoa wow whoa wow
Ow

You see it all in my smile
You hear it all in my laugh
The way I walk you hear me talkin,
No, I'm no longer sad
I've got more reason to smile
More now than I've ever had
Open my eyes and realized
That nothing's quite that bad

I've got a different approach
To dealin' with emotion
Keeping control of my boat
While drifting on this ocean
Keepin my head to the sky
Keepin tears outta my eyes
Unless happiness be the reason
That I decide to cry

And lifes too short to dwell on all that's wrong
Stand up now
Stand up now and I promise not before long

Chorus
You'll be feelin better today
Much better today, much better today
So much better
Feelin' better today
Much better today, much better today
Much better today
(Repeat)

Feelin so much better

I know about down and out
I know about when it gets tough
Losing the fight, you see the light,
And you just want to give up
I know about being depressed

About leaving someone you love
I also know about standing up
And saying enough is enough
I've got a different approach
To dealin' with emotion
Keeping control of my boat
While drifting on this ocean
Keeping my head to the sky
Keeping tears outta my eyes
Unless happiness be the reason
That I decide to cry

And lifes too short to dwell on all that's wrong
Stand up now
Stand up now, and I promise not before long

Chorus

You'll be feelin better today
Much better today, much better today
So much better
Feelin' better today
Much better today, much better today
Much better today
(Repeat)

Feeling so much better

Ahhh aaaahhh aaaahh

Oooooooooo

What will I give I tried
I could fly away right now
Hold me cause I finally found my smile

Chorus

You'll be feelin better today
Much better today, much better today
So much better
Feelin' better today
Much better today, much better today
Much better today
(Repeat)

Feeling so much better
