Floating along in the middle of the sea
That's what it feels like
Two weeks later and you're still not talking to me
Baby the energy you trying to act like I'm not there
We could be using that to make up
But lately you don't even seem to care
So let me try this again
I'm sorry for the wrong that I've did
Why can't we just get over it

This ain't right
We're bigger than this
Bigger than this
Stupid fight
Baby girl we're bigger than this
Bigger than this
Staying made at me for eternity
What's that gonna fix
So baby can we try
Cause what we've got is so much bigger than this

Now baby normally we don't stay mad for too long
We would break up just to make up cause it felt wrong
Girl I miss you intensely
So can we
It's a love hate kinda thing
With us baby
Girl I'm sorry for the wrong that I've did
Why can't we just get over it

This ain't right
We're bigger than this
Bigger than this
Stupid fight
Baby girl we're bigger than this
Bigger than this
Staying made at me for eternity
What's that gonna fix
So baby can we try
Cause what we've got is so much bigger than this
