sugar cocoa brown  
she stand 5 foot 3  
and shes all by her self  
it doesnt make no sense to me  
(shes incredible)

im wantin to approach  
but i take it slow  
and make sure that shes not with anybody

very insecure  
so now that im sure  
i slide in and sit right next to this shawty

and said correct me if im wrong  
arent you alone tonight?  
you got it goin on  
girl your everything i like

and im not tryna bother you  
but girl if you dont mind  
can i keep you company?  
baby can i keep you company?

smilin at me now  
such a pretty smile  
im figurin her out  
and i really dig her style

we have a couple drinks

have a couple laughs  
suddenly the nights about to end

we have one more toast  
then she pulls me close  
then in my ear she starts whisperin

she says correct me if im wrong  
arent you alone tonight  
you got it goin on  
your everything i like

and im not tryna bother you  
but if you dont mind  
can i keep you company?  
baby can i keep you company

she says correct me if im wrong  
arent you alone tonight  
you got it goin on  
your everything i like

and im not tryna bother you  
but if you dont mind  
can i keep you company  
baby can i keep you company
