She got hold of me.
She got hold of me.
She got hold of me.
And I just can't shake loose.
She got hold of me.
She got hold of me.
She got hold of me.
And I just can't shake loose.

In my heart..
In my head..
In my room..
In my bed.. naked.
And I can't take it.
I can't shake this _____.
We had drinks, vision blurred.
Chill my bone, and she whipered "take it".
And no mistake it was, I should have known.

And now I'm caught up, not in the right state of mind.
She fine.
But I ain't supposed to be this open.
Gotta get myself together.
Gotta figure out my plan.
Cause the fact is that she's married, and I ain't her
husband.

It's another fine mess I done got into.
Whats wrong with me?
She got hold of me.
She got hold of me.
It's another fine mess I done got into.
What's wrong wtih me?
She got hold of me.
And I just can't shake loose.

So damn wrong, so damn dumb.
I went back more than once, four times.
Went for more times.
Sometimes back to back.
Could not help how it feel.
Though I know karma's real.

No crime, but even this time, there's escape in that.

Cause now I'm caught up, not in the right state of mind.

She fine.

But I ain't supposed to be this open.

Gotta get myself together.

Gotta figure out my plan.

Cause the fact is that she's married, and I ain't her husband.

It's another fine mess I done got into.

Whats wrong with me?

She got hold of me.

She got hold of me.

It's another fine mess I done got into.

What's wrong wtih me?

She got hold of me.

And I just can't shake loose.

Whatcha thinking bout?

Whatcha thinking bout?

Boy whatcha thinking bout?

Whatcha thinking bout?

She got hold of me.

And I just can't shake loose.

Whatcha thinking bout?

Whatcha thinking bout?

Boy whatcha thinking bout?

Whatcha thinking bout?

She got hold of me.

And I just can't shake loose.

It's another fine mess I done got into.

Whats wrong with me?

She got hold of me.

She got hold of me.

It's another fine mess I done got into.

What's wrong wtih me?

She got hold of me.

And I just can't shake loose.

It's another fine mess I done got into.

Whats wrong with me?

She got hold of me.

She got hold of me.

It's another fine mess I done got into.

What's wrong wtih me?

She got hold of me.

And I just can't shake loose, no.

She got hold of me.

She got hold of me.
She got hold of me.
And I just can't shake loose, no.
