27th of January
i think u died a year ago today
shes cryn on my shoulder
n beggin me to make the hurtin go away

pretty brown eyes
tears full of guilt
a heart full of pain and fear
i wana tell her its okay but we both kno
shes the reason hes not here

i keep on cryn
but it doesnt seem to help at all
with every single tear drop
its like another raindrop falls

and i would
if i could
but to try would be in vein
said no matter whut i do
i cant stop the rain

so i cry
oooooooooooooh
i cant stop the rain
stop the rain
oooooooooooooh
i cant stop the rain
stop the rain

if i could
u kno i would
but to try would be in veign
so i cry
oooooooooooooh
i cant stop the rain
stop the rain

faded picture in a little gold locket
and she never takes it off
i kno its small but its heavy cus its filled with the guilt

of knowin shes why his life is lost

i feel bad for her
but im havin mixed emotions
cus he was a friend of mind
and somewhere in the deepest darkest part of my
mind
i wish it was her that died that night

i keep on cryn
but it doesnt seem to help at all
with every single tear drop
its like another raindrop falls

and i would
if i could
but to try would be in vein
said no matter whut i do
i cant stop the rain

so i cry
oooooooooooooh
i cant stop the rain
stop the rain
oooooooooooooh
i cant stop the rain
stop the rain

if i could
u kno i would
but to try would be in veign
so i cry
oooooooooooooh
i cant stop the rain
stop the rain

one rainy saturday night
a happy anniversery
celebrate love
champaign all around
they had a little too much to drink

got in the car
and he could barley stand
so she figured that shed drive

starin him not the road
sudden jerk of the wheel
and the car flipped about 3 times

i keep on cryn

but it doesnt seem to help at all
with every single tear drop
its like another raindrop falls

and i would
if i could
but to try would be in veign
said no matter whut i do
i cant stop the rain

so i cry
oooooooooooh
i cant stop the rain
stop the rain
oooooooooooh
i cant stop the rain
stop the rain

if i could
u kno i would
but to try would be in veign
so i cry
oooooooooooh
i cant stop the rain
stop the rain
