Closer [4x]

[Verse 1:]

Turn the lights off in this place
And she shines just like a star
And I swear I know her face
I just don't know who you are
Turn the music up in here
I still hear her loud and clear
Like she's right there in my ear
Telling me
That she wants to own me
To control me
Come closer
Come closer

[Chorus:]

And I just can't pull myself away
Under a spell I can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
And I just can't bring myself no way
But I don't want to escape
I just can't stop
I just can't stop
I just can't stop
I just can't stop
I just can't stop

[Verse 2:]

I can feel her on my skin
I can taste her on my tongue
She's the sweetest taste of sin
The more I get the more I want
She wants to own me
Come closer
She says "come closer"

[Chorus:]

And I just can't pull myself away

Under a spell I can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
And I just can't bring myself no way
But I don't want to escape
I just can't stop
I just can't stop
I just can't stop
I just can't stop
I just can't stop

Come closer [7x]
I just can't stop nooooo
I just can't stop nooooo
I just can't stop nooooo
I just can't stop nooooo

[Chorus:]
And I just can't pull myself away
Under a spell I can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
And I just can't bring myself no way
But I don't want to escape
I just can't stop
I just can't stop
I just can't stop
I just can't stop
I just can't stop

And I just can't pull myself away
Under a spell I can't break
I just can't stop
I just can't stop
I just can't stop
I just can't stop
I just can't stop

Come Closer
