Maybe this decision was a mistake  
You probably don't care what I have to say  
But it's been heavy on my mind for months now  
Guess I'm trying to clear some mental space

I would love to talk to you in person  
But I understand why that can't be  
I'll leave you alone for good, I promise  
You answer this one question for me

I just wonder  
Do you ever  
Think of me, anymore  
Do you?

Kind of bittersweet to hear from you now  
Things have changed so much in both our worlds  
Everything about me now is woman  
The person that you hurt was just a girl

I'm glad you know that we can talk in person  
I don't think my man would go for that  
With my brand new life, I'm truly happy  
But, from time to time, I do think back

I just wonder  
Do you ever  
Think of me, anymore  
Do you??

I know what we had is dead and gone  
Too many times you made me cry  
And I don't mean to interrupt your life  
I just wonder do I ever cross your mind?

I just wonder  
Do you ever  
Think of me, anymore  
Do you?

Do you, do you, do you yeah

I just wonder (Hey! Yeah, do you ever)  
Do you ever (Oh, do you ever think of me, hey!)  
Think of me, anymore  
Do you? (Do you, do you)

I just wonder (I just wonder do you ever think of me)  
Do you ever (I just wonder do you ever think of me)  
Think of me, anymore (Do you ever? Anymore?)  
Do you? (Yeah, yeah, yeah, yeah, yeah)
