Don't wanna know you
Don't wanna know your name
Said I don't wanna call you
Don't wanna talk about anything
I don't wanna like you
I don't care if you like me
Said and if you haven't caught on yet
I'm lying through my teeth

See the problem is the more I fight it
The harder it gets to deny it
And everything in me wants to be with you
But I've seen where love can leave you devastated
So everyday I look in the mirror and I say this

I tell my self I don't wanna be, I don't wanna be in love
Said I don't wanna be, I don't wanna be in love
'Cause I know what it is and I know just what it does
So I don't wanna be in love
Right now it was too much
I don't wanna be in love

Don't wanna love when you walk in the room
Don't wanna love everything to the click clack of your
shoes
Don't wanna love when you put on sweats in the
afternoon
And you curl up next to me as we watch cartoons

Said I don't wanna be
I tell myself I don't wanna be, I don't wanna be in love
Said I don't wanna be, I don't wanna be in love
'Cause I know what it is and I know what it does
So I don't wanna be in love
Right now it was too much
I don't wanna be in love

Wish I didn't love the way you smile at me
And the sun shines
Wish we could live happily ever after but girl I'm
terrified
Even though it feels so right

I tell myself I don't wanna be, I don't wanna be in love
Said I don't wanna be, I don't wanna be in love
'Cause I know what it is and I know just what it does
So I don't wanna be in love
Right now it was too much
I don't wanna be in love

I don't wanna be, I don't wanna be in love
Said I don't wanna be, I don't wanna be in love
'Cause I know what it is and I know what it does
So I don't wanna be in love
Right now it was too much
So I don't wanna be in love

So now I don't wanna be in love,
Right now is just too much,
So I don't wanna be in love...
