(VERSE 1)

She was a diamond princess cut perfect no cloud
Sexy and independent, making man proud
Oh but a man didnt no her work treating her wrong foul
Since he didnt know how to treat her
She went an found a fellow that knew how (hoowww)

And he treats her like a queen, with a diamond crown
(Yeah)

She's all happy now (Oh)
But looks who's back around (Yeah, Yeah)
Her old boyfriend and now he's talking bout (what he
talking bout)
How he got it figured out
He says leave him and let's work it out
But she said

Chorus

No No No
No No It Don't work that way
No No It Don't work that way at all

No No No
No No It Don't work that way
No No It Don't work that way at all

(VERSE 2)

And so the old boyfriend stands there looking so
confused
I guess he really thought she would pick him over her
new dude
So he goes what can he give that i can't give you
She says great sex ain't one credit and occasional bag
and a pair of shoes

She says he treats me like a queen, with a diamond
crown (No)
I'm so happy now (happy now)
Then you come back around (then you come back
around)
Say you didn't know then, but you swear that you know
now

(but you swear that you know now)
Flashing that fake smile (Hey, hey)
Talking bout let's work it out (Woo, woo)
She said

Chorus
No No No
No No It Don't work that way
No No It Don't wotk that way at all

No No No
No No It Don't work that way
No No It Don't wotk that way at all

La La La
La La La La La La La
La La La La La La La La

La La La
La La La La La La La
La La La La La La La La

Chorus
No No No
No No It Don't work that way
No No It Don't wotk that way at all

No No No
No No It Don't work that way
No No It Don't wotk that way at all
