Taxi
I'm goin' home
Six blocks down make a left at
The lights
Haa...
I think I had too much to drink
I'm in the restroom at the sink
The water runnin' and I'm tryna'
Think
The cranberry made my white
Dress pink
I got the bass kickin' in my head
A little more than just wasted
But I remember what happened
After he said
What he said
What he said
He said
I don't know why she tell you so
But I'm drunk so here you go
See I'm fallin, fallin in luv with u
And your best friend too
And I just can't help myself
Just can't help myself
That was it
My best friend's boyfriend admits
It blew my mind when you told
Me this
But then he turned and try to
Give me a kiss
My best friend saw it and she got
Upset
And threw a drink, at my head
So I'm sittin' in the restroom
Steamin'
Cos he said
Cos he said
He said
I don't know why she tell you so
But I'm drunk so here you go
See I'm fallin, fallin in luv with u

And your best friend too
And I just can't help myself
Just can't help myself
A Friday night should never go so
Bad
I tried to talk to her but she's just
Drunk and mad
We won't remember this
Tomorrow and that's what's really
Sad
My shoes broke
My dress is ruined
I'm goin home in a cab
Well...
Somebody call me a cab
Uhhhooo...
Somebody call me a cab
Call me a cab
Eeooo...
He said
I don't know why she tell you so
But I'm drunk so here you go
See I'm fallin, fallin in luv with u
And your best friend too
And I just can't help myself
Just can't help myself
Down and out on a Friday night
Down and out on a Friday night
Down and out on a Friday night
