in the words of andre 3000 right  
if u aint the one u the prototype

i'm a go getta gettin my fly young man on  
lean like a pimp but i do stand on  
my own two, grown too, and in good health  
and i can do badd by myself; so wuttup?

so wuttup ma where you at with yours?  
do u gently knock, do u kick down doors?  
if so baby girl maybe we could ride  
kick a few down side by side, whut u say mama?

iyy, iyyy

i'm a go getta gettin my fly young man on  
lean like a pimp but i do stand on  
my own two, grown too, and in good health  
and i can do badd by myself; so wuttup?

so wuttup ma where you at with yours?  
do u gently knock, do u kick down doors?  
if so baby girl maybe we could ride  
kick a few down side by side, whut u say mama?

iyy, iyyy
