Oooh hooOOooo ....yeah

I kept the flowers, the candy, the letter that you wrote  
to me  
and I laughed a long time  
as it all went up in smokes  
It was funny

[bridge]  
See I don't care  
No I don't care  
'Cause you don't care  
So I don't care anymoreee

[chorus]  
It was eaaaaaaa-sy  
easy to love me  
But you didn't even want to try  
So it was eeasssss-sy  
easy to leave you  
Goodbye  
Goodbye  
Goodbye

I got all your messages on my phone  
and the texts as well  
I will be changing my number tomorrow  
and my email

[bridge]  
Because I don't care ( don't matter what you try to say )  
No I don't care ( don't you realise it's too late )  
'Cause you didn't care a thing , so why should I care  
now  
See around

[chorus]  
It was eaaaaaaa-sy  
Easy to love me  
But you didn't even want to try ( didn't even want to try  
)  
So it was eeasssss-sy ( easy )

Easy to leave you ( leave you )  
Goodbye  
Goodbye  
Goodbye

Said i remember  
How much i cried (mmm..)  
Inside a part of me died  
Oh..Unfortunately for you  
It was the part of me that gave a damn about your lie  
Shoulda been easy ...ooh..  
Easy to love me .. oh...  
Ohh! should've been easy

[chorus]  
It was eaaaaaaa-sy  
Easy to love me ( to love me )  
But you didn't even want to try ( you didn't even want to  
try )  
So it was eeasssss-sy ( easy )  
Easy to leave you ( to leave you )  
Goodbye  
Goodbye  
Goodbye  
Should've been easy  
Should've been easy  
Should've been easy  
Goodbye  
Goodbye  
Goodbye  
Should've been easy  
Should've been easy  
Should've been easy  
Goodbye  
Goodbye  
Goodbye...
